

## **Policy**

### **Health & Safety**

The Southern Regional Health School Board of Trustees will take all practicable steps to ensure the safety of all employees, students and visitors at every SRHS site; and in particular:

- Provide and maintain a safe physical and emotional environment for staff, students and visitors
- Ensure compliance with all relevant health and safety legislation through policies, procedures and practices
- Ensure ongoing review and continuous improvement in health and safety procedures
- Provide guidance, supervision and training
- Carry out regular inspections to identify potential hazards and take all reasonable steps to remove or reduce them
- Ensure staff and students are aware of the schools Health & Safety policy and procedures
- Support the safe and early return to work of injured employees
- Record and investigate all injuries and accidents occurring in the workplace
